SHILOH  
IVF Ministry

Accompaniment on your most  
difficult decision

## About Us

At Shiloh, our mission is to offer companionship and practical steps to discern how to care for embryonic children and offer overall healing in the aftermath of IVF. Many people who participate in IVF, even those who bear children, are in need of post-IVF healing. Shiloh IVF Ministry exists as a resource for men, women, and couples who find themselves in this unfathomable position.

## Ministry Offerings

### Initial Assessment+Consultation

Take our free assessment to analyze where you are in your post-IVF processing. Following your assessment, we will consult one-on-one with you to help you determine next steps!

### One-on-One Mentorship

Making a decision with frozen embryos? Reeling from past choices in IVF? Following assessment+consultation, you will have the option to be matched with someone one-on-one to walk you through these tough choices and realizations.

### Education

Utilize our educational resources at [www.shilohivf.com/education](http://www.shilohivf.com/education) to gain greater clarity and insight. Additional educational resources available to clients on various topics as applicable.

### Honoring Page for Embryonic Children

Honor your embryos and miscarriages; name your children and share any pictures of your children and memorialization service/mementos. Visit [www.shilohivf.com/honoring-page](http://www.shilohivf.com/honoring-page).

### Scriptural Meditation

Use this self-paced Scriptural guide on your own or with a mentor to launch you into greater reconciliation with yourself, your spouse, and your faith. Available upon consultation.

### Testimonies

Share with others about your post-IVF healing experience. Visit [www.shilohivf.com/testimonies](http://www.shilohivf.com/testimonies).

### More to Come..

In the future we aim to offer retreat experiences and speakers training for those ready to speak publicly about post-IVF healing.
